B. PRESENTATION – JACQUES SAVARD, SNC-LAVALIN

At the October meeting, questions were raised regarding rules and practices for night flights in Europe. Jacques Savard has been invited to give a presentation on noise-measurement methods and outline practices for night flight restrictions at Canadian, U.S. and European airports.

C. CONSTRUCTION WORK – SUMMER 2017

An overview of construction work for the summer of 2017 is presented to Committee members. Several minor projects will be carried out in summer 2017. There will be occasional closures of runways 06R-24L and 06L-24R to allow for this work and for regularly scheduled maintenance. Runway 10-28 will be closed from May to September 2017 for the construction of an aircraft parking area north of the runway.
