

JULY 12 - NOVEMBER 2016

CONSTRUCTION WORK AT MONTRÉAL-TRUDEAU

Residents of Dorval north, Pointe-Claire and Saint-Laurent north will notice an increase in the number of flights in their area. The work will take place in two phases:

From July 12 to July 22, 2016

Runway 06R-24L closed

From July 23 until November 2016

Construction - Enlargement - Bay of runway 06R

The length of the runway 06R-24L will be reduced and the runway will mainly be used by propeller aircraft. Runways will be assigned as follows:
