**AÉROPORTS DE MONTRÉAL:  
RANDOM DRAW FOR AIRPORT TAXI PERMITS**

**Montréal, September 2, 2015** – Aéroports de Montréal (ADM) announced that it has held a draw today among the 4,200 applications submitted for permits to operate a taxi or limousine at Montréal-Trudeau Airport. The draw was held in keeping with the usual rigorous process, under the supervision of auditing firm Raymond Chabot Grant Thornton. The list of recipients will be provided as soon as possible on the admtl.com website.

As planned, Aéroports de Montréal will issue a grand total of 325 airport taxi permits, including 108 for green vehicles, 15 for adapted vehicles and 77 for minivans, in line with the allocation established between the three Montréal-area zones. In addition, 70 limousine permits will be issued. The new one-year permits (four years for adapted taxis) will take effect on November 15, 2015.

**About Aéroports de Montréal**

Aéroports de Montréal is the local airport authority that has been responsible for the management, operation and development of Montréal-Trudeau and Montréal-Mirabel international airports since 1992. The Corporation employs 650 people at both airports and at head office. ADM has been ISO 14001 certified since 2000 and BOMA BEST certified since 2008.
