

AIRPORT PROCESS FAMILIARISATION DAY

FOR CHILDREN WITH AUTISM SPECTRUM DISORDERS (ASD)
OR FUNCTIONAL LIMITATIONS (INTELLECTUAL DISABILITIES)

AÉROPORTS DE MONTRÉAL (ADM) and its **PARTNERS** are proud to organize an event to help children with Autism Spectrum Disorders (ASD) or functional limitations (intellectual disabilities), accompanied by their parents or friends, to become acquainted with the various travel-related processes. They will be able to experience a simulated trip, starting with their arrival at the airport and up until they board an aircraft (there will be no flight).

THIS INITIATIVE is inspired by a similar program, «WINGS FOR AUTISM», created more than three years ago by the Charles River Center in collaboration with the Massachusetts Port Authority (Logan International Airport, Boston).

WHEN/WHERE
FREE EVENT

Sunday morning, April 12, 2015
(for approximately 3 hours) at
Montréal-Trudeau airport

People interested in participating in this activity should complete the attached form and e-mail it back to EnPremiere@admtl.com. A registration confirmation and instructions for the day will be e-mailed back to you. For more information, please do not hesitate to contact the Enfants en Première team by e-mail at EnPremiere@admtl.com, by telephone at 514-394-7201 or by fax at 514-394-7356.

AÉROPORTS DE
MONTRÉAL

A handwritten signature in black ink, appearing to read 'James C. Cherry'.

JAMES C. CHERRY
President and Chief Executive Officer
