

## SUBSCRIPTION FORM TO THE ANNUAL FIXED RATE Piston Aircraft

### CLAUSES

This form must be completed by the piston aircraft owner wishing to subscribe to the annual fixed rate.

The subscription to the annual fixed rate is available for Montréal-Pierre Elliott Trudeau International Airport (Montréal-Trudeau) and/or Montréal-Mirabel International Airport (Montréal-Mirabel), both with distinct rates.

The **applicable annual fixed rate** will be the annual fixed rate in effect as of the subscription date.

Example :

If the 2019 schedule of aeronautical fees indicates an annual fixed rate of \$1280.35/year/aircraft for Montréal-Trudeau, any payment made in 2019 to subscribe to the annual rate for a specific aircraft will be at \$1280.35.

The **effective subscription date** to the annual fixed rate will be equal to the date of full payment of the annual fixed rate. As of this date, all movements operated with the designated aircraft, at the designated site(s) will not be invoiced at the unit rate, for a one year period.

Example :

For a subscription payment received in full on July 1st, 2019, all movements operated with the designated aircraft between July 1st, 2019 and June 30th, 2020 will be considered paid in advance at the subscription rate in effect in 2019.

The billing department will issue an **invoice** indicating that the amount has been paid. This invoice will bear the date of receipt of payment and will act as a receipt.

### 2019 ANNUAL FIXED RATES

The 2019 annual fixed rate at Montréal-Trudeau is \$1280.35 per aircraft, per year.

The 2019 annual fixed rate for Montréal-Mirabel is \$512.16 per aircraft, per year.

These rates are in Canadian currency and subject to all the applicable taxes.
