

ATTESTATION OF VACCINATION OF EMPLOYEES – YMX AIRPORT SITE

Name of authorized representative:	
Position:	
Company:	

I, the undersigned, confirm that I have the authority to sign this document and certify that all employees¹ of the company who require access to the following premises are adequately vaccinated² and have the required proof of vaccination:

- ADM service centre and garage;
- Fire station, including the Administration and Permits Office (APO);
- De-icing centre;
- Falconry Building;
- Airside sector (restricted area), which includes the parts inside and outside the buildings, notably, the main apron, the industrial apron, the cargo apron and the refuelling and servicing centres (“clusters”);
- Airside access checkpoints;
- Any place on the airport site where an employee is likely to have face-to-face interaction with anyone intending to board a flight;
- Any location where the direct conduct or support of activities related to the operation of commercial flights takes place, including aircraft refuelling services, aircraft maintenance and repair, baggage handling, supply services provided to ADM, an air carrier or NAV CANADA, runway and taxiway maintenance or de-icing services; and
- Any other facility used for activities related to aircraft operations, including aprons, hangars, fixed-based operator (FBOs) and flight schools, and including any such location that is reserved for exclusive use by a tenant or an occupant.

I witness whereof I have signed, at _____, on _____, on _____ 2021.
