

UPDATE ON CONSTRUCTION WORK
TAXIWAY OF RUNWAY 06R-24L

END OF CONSTRUCTION WORK - 24 OCTOBER 2014

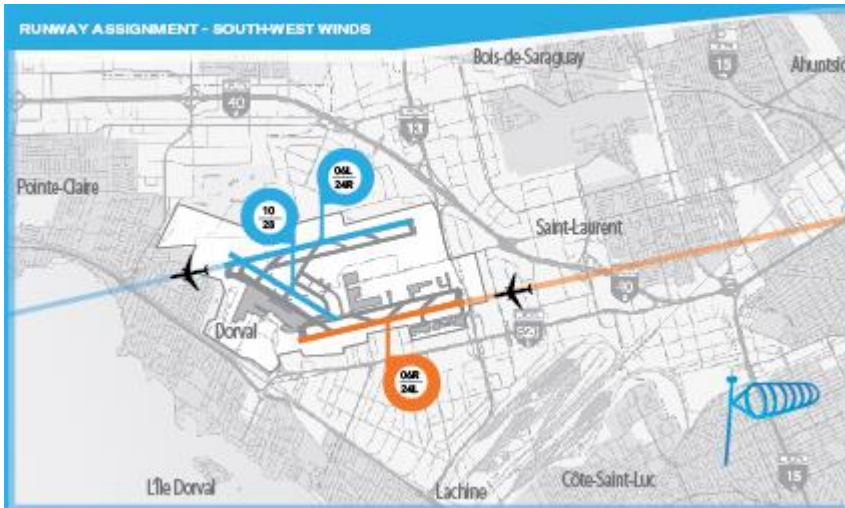

The construction work on the taxiway of runway 06R-24L is scheduled to be completed on 24 October 2014.

The modified runway assignment in Southwest wind conditions will continue until the end of the work. Runway assignment will then return to the usual way.

Until 24 October, runway assignment remains as follows:

Southwest winds:

- Departures **mainly** 24R
- General aviation departures - 24L
- Arrivals **mainly** 24L

Northeast winds (usual runway assignment):

- Departures mainly 06R
- Arrivals 06L
- General aviation arrivals - 06R

Runway 10-28 is closed until the end of the work.
