

PRESS RELEASE

For immediate release

**MONTRÉAL–TRUDEAU AIRPORT
TO OFFER FREE WI-FI ACCESS
STARTING JANUARY 1, 2011**

Montreal, December 30, 2010 – Starting this January 1, Montréal Pierre Elliott Trudeau Airport will offer free Wi-Fi service throughout the entire terminal, including the public area and the restricted areas (international, transborder and domestic). Montréal–Trudeau passengers will be able to connect to the Internet wirelessly from a laptop, smartphone or any other Wi-Fi-enabled device.

To access Aéroports de Montréal’s high-speed AERO WI-FI network, users need simply activate their Web browser and accept the conditions of use that will immediately appear on the screen. Opening a session provides one hour of free navigation. If more time is desired, simply open a new session.

Aéroports de Montréal wishes all its passengers the happiest of Holidays.

ADM is the local airport authority responsible for the management, operation and development of Montréal–Trudeau and Montréal–Mirabel international airports under a lease signed with Transport Canada in 1992. The Corporation employs 625 people at both airports and at head office. ADM has been ISO 14001 certified since 2000, and BOMA BEST certified since 2008.

For further information on Aéroports de Montréal and its operations, please visit our website at www.admtl.com.
